| SUMMARY OF COMMUNICATION | | Site: A.L. Taylor Bro: 2.1 Other: _____ | |
| <p>Jack called to say that Ky was issuing a Press release on 4/21/80 saying that they had reached an agreement with some of the generators whose waste was at the Valley. Those generators will be removing their waste and disposing it properly under the states supervision. Jack will mail package to me today. I will distribute to Env. It was worried that media would call EPA for our opinion and we wouldn't know what was happening.</p> <p style="text-align: right;">James H. Seabrough</p> | | | |
| CONCLUSIONS, ACTION TAKEN OR REQUIRED | | | |
| <p>Any contact by Media should be told, yes, we know and are monitoring the situation. We do not have any specific problem with state actions and are always looking toward total cleanup etc.</p> | | | |
